"I Like Callin' North Carolina Home"

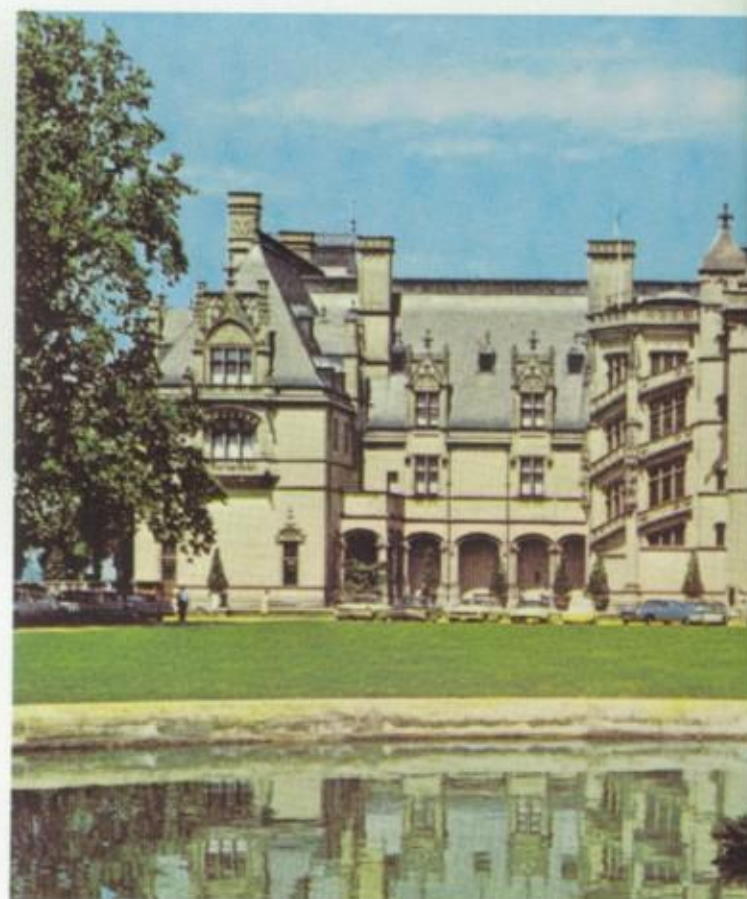

I like the North Carolina kind of kindness,
 and lay-back livin' North Carolina style.
 I like the way the people say they're always
 on your side, with a North Carolina kind-a
 smile.
 I like callin' North Carolina home.
 I like the North Carolina kind of people,
 down to earth but reaching for the moon.
 I like watching kids grow up in a state of
 grace, on a North Carolina afternoon.
 I like callin' North Carolina home.
 I like the North Carolina kind-a people, down
 to earth but reaching for the moon.
 I like watching kids grow up in a state of
 grace, on a North Carolina afternoon.
 Lord, it's just like living in a poem.
 I like callin' North Carolina home.

Biltmore House at Asheville

In 1903 the Wright Brothers came to North Carolina in pursuit of a dream. The machine built by these two bicycle makers made man's first powered flight on December 17, 1903 at Kitty Hawk. This feat was the beginning of the air age.

George Vanderbilt, some years earlier, purchased some land in Western North Carolina after searching for the most beautiful spot in America. Here, he built the Biltmore House, which is considered by many to be America's finest castle.

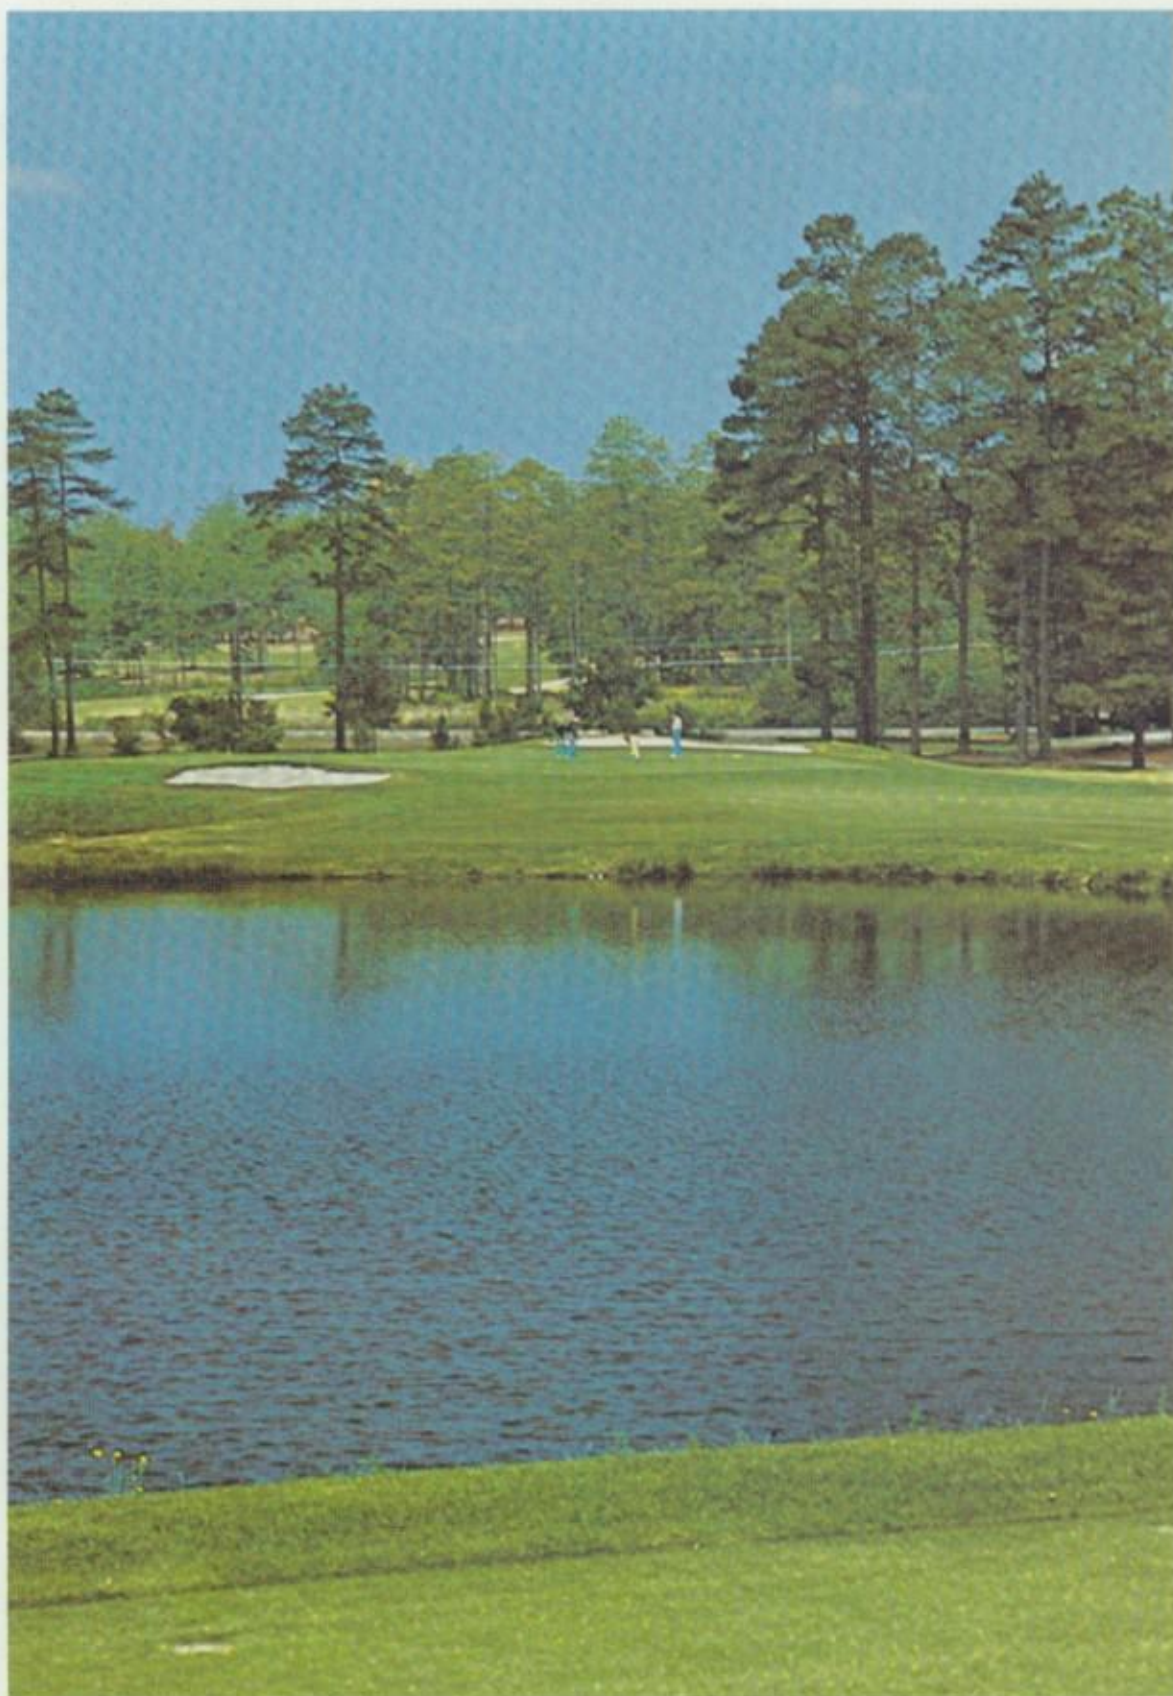

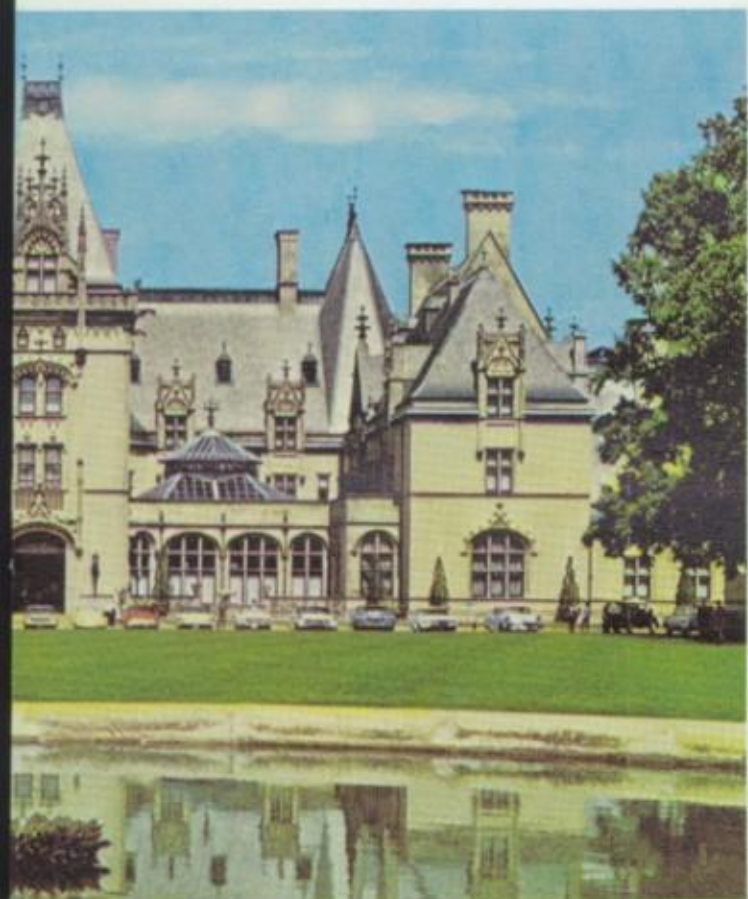

In 1895, when James Tufts arrived in North Carolina and bought 5,000 acres of sandy woods, many people thought he was crazy. Today, Pinehurst is one of the most famous golf resorts in the world.

Today, North Carolinians are discovering what James Tufts, George Vanderbilt, and the Wright brothers knew a long time ago. North Carolina has a special way of fulfilling dreams because there is something for everyone.

The Mighty Cougars (Fight Song)

Here come the mighty Cougars,
They're just too tough to beat.
Let's cheer our team to victory,
So they'll win this game tonight.

You can't beat the Reid Ross Cougars,
Reid Ross is the best,
So fight! fight! Fight team fight!
And win this game tonight!

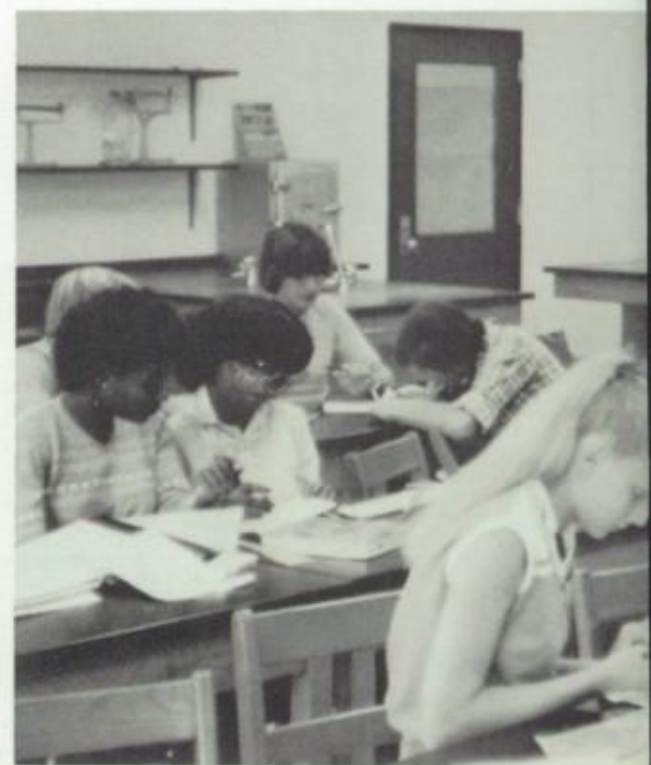

— Phillip Stockdale 1971

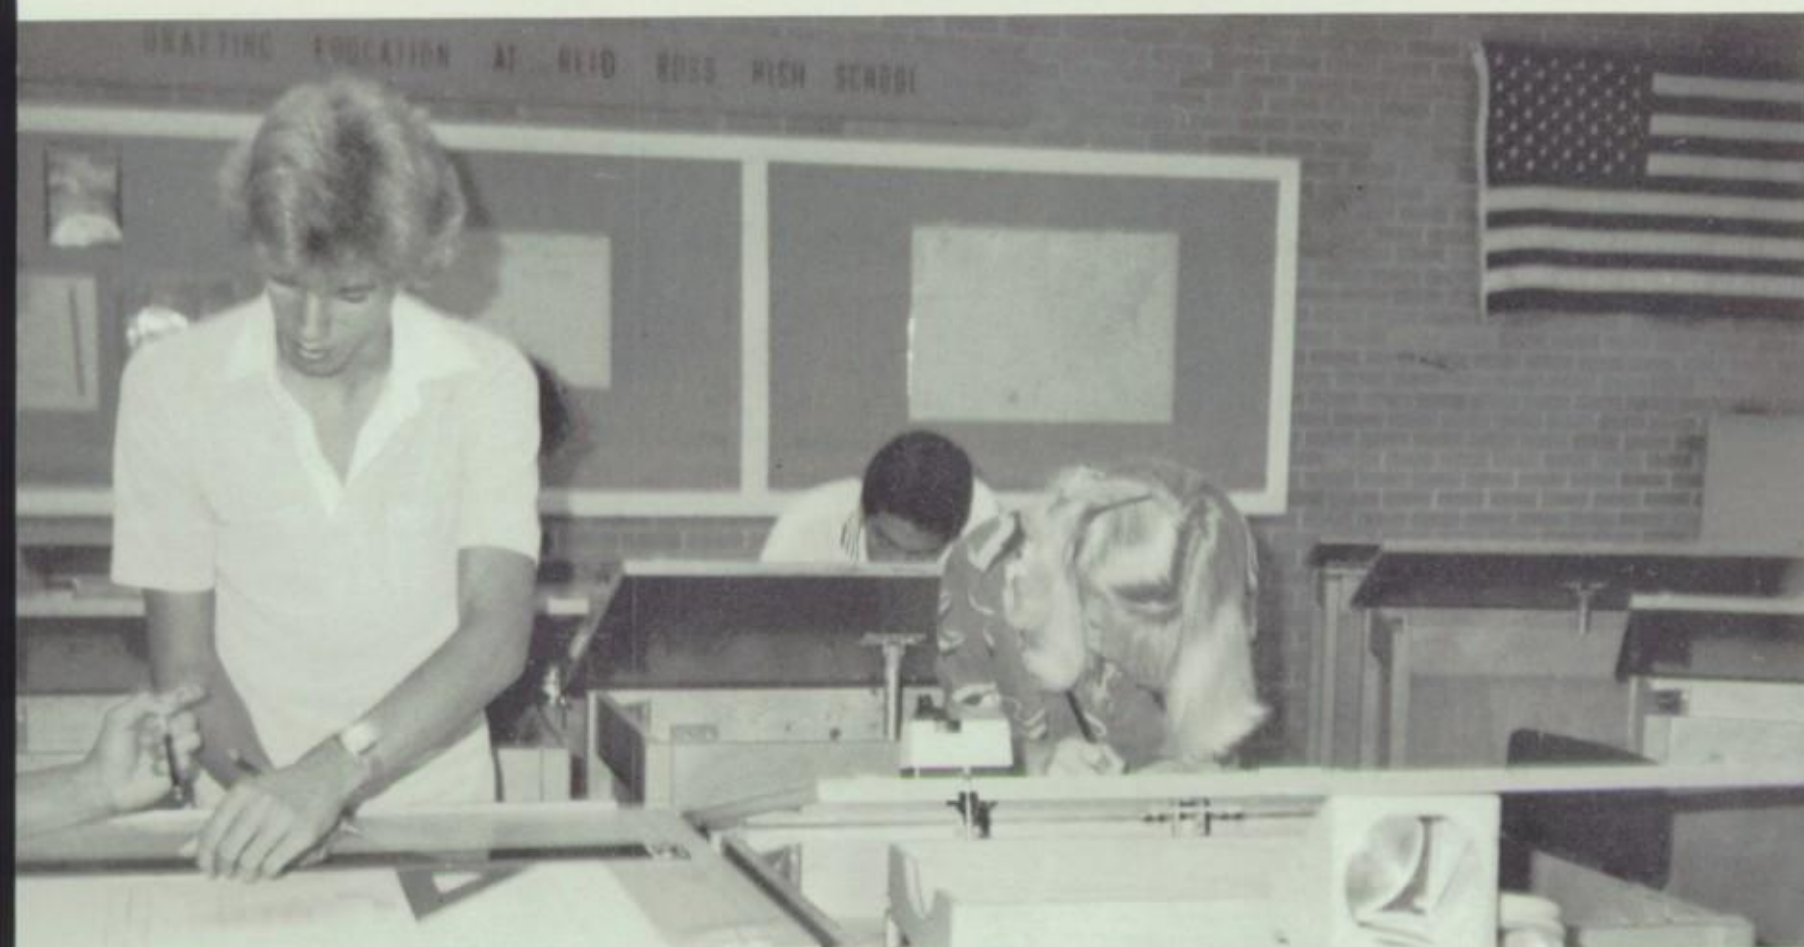

If you have built
castles in the air,
your work need not be lost;
that is where
they should be.
Now put the foundations
under them.

THE BEST OF TIMES

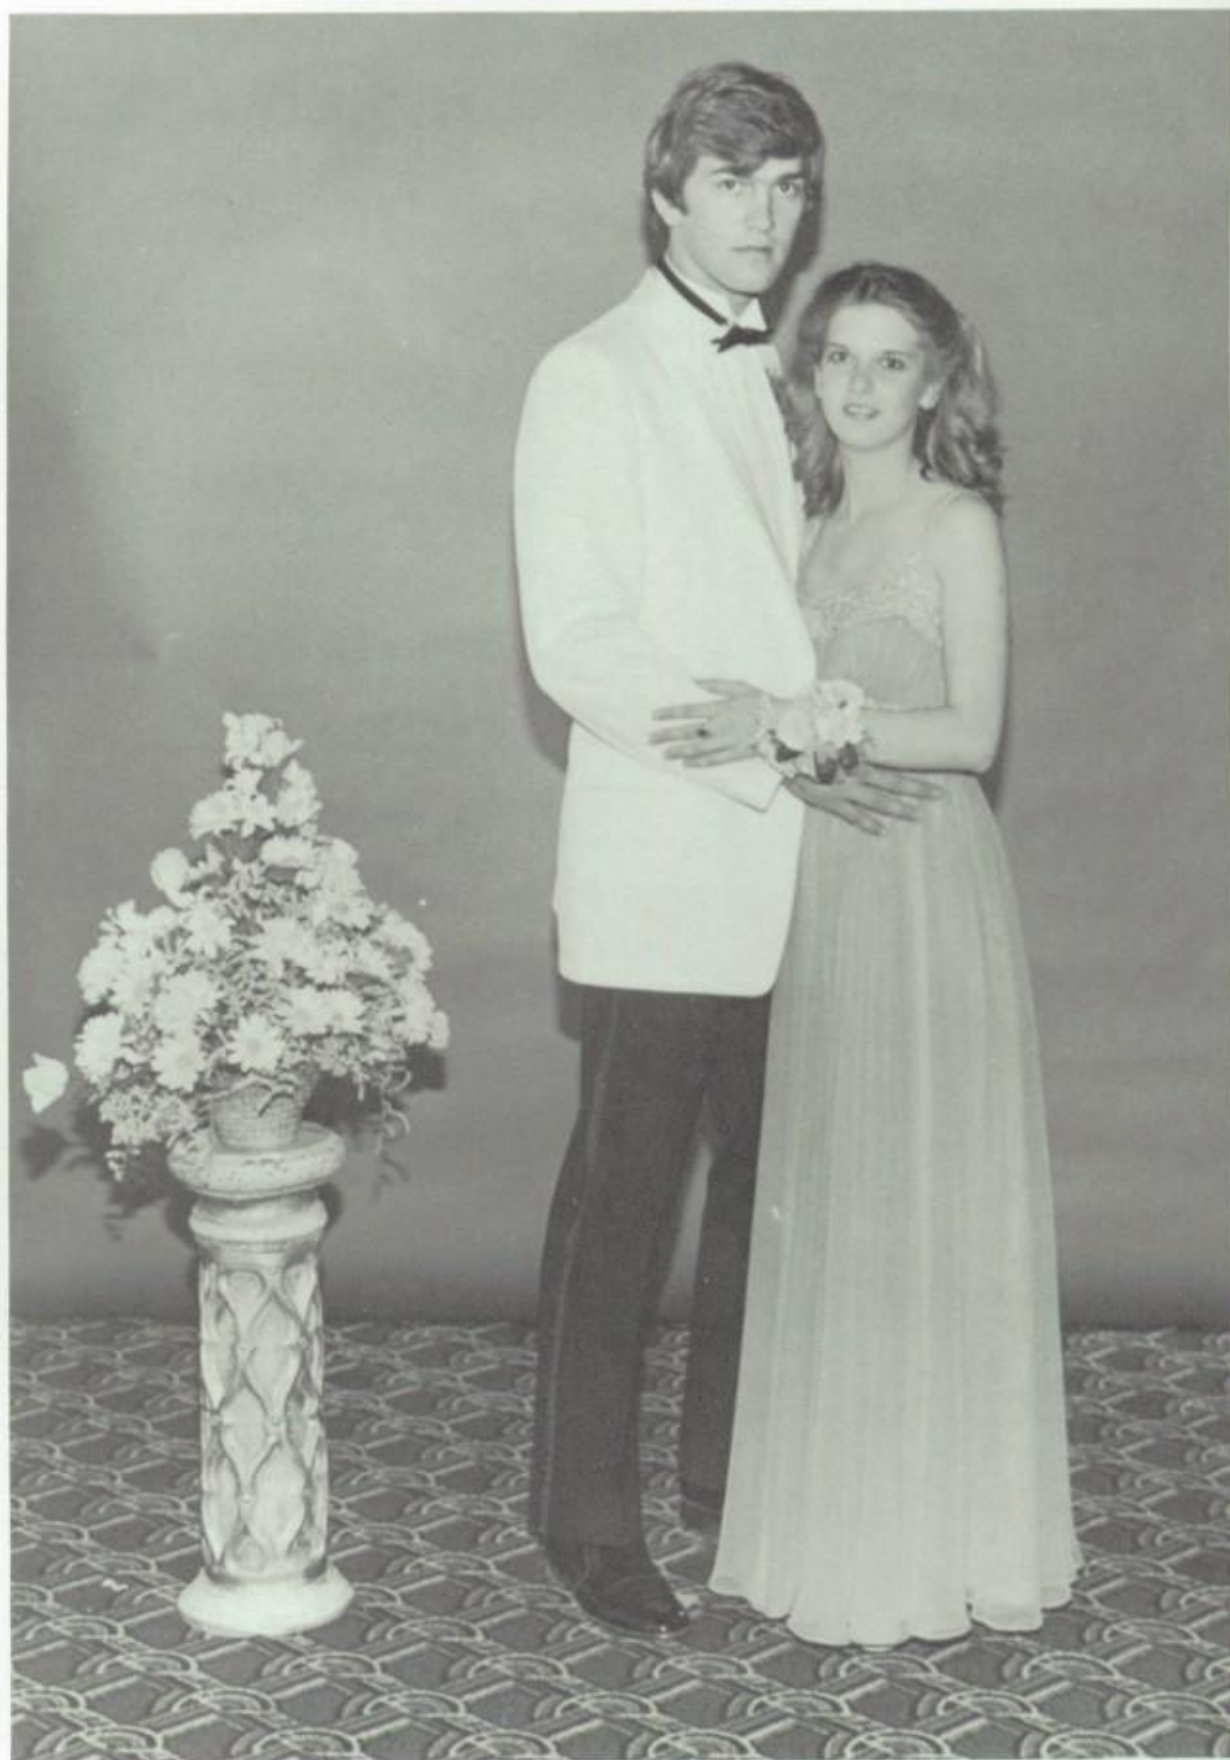

"The Best of Times" were definitely enjoyed at the 1982 Prom, which made this popular song a suitable theme. With waiters and waitresses hurrying around, and the band alternating between slow love ballads and hard rock tunes, the atmosphere was one of romance and gaiety.

The highlight of the Prom was the crowning of Todd Jackson and Laura Johnson as Prom King and Queen.

The Prom was held in the LaFayette Ballroom at the Fort Bragg Officer's Club.

Vegas, eat your heart out.

In the spring of 1982, sounds of hammering and sawing filled the gymnasium. It wasn't termites; it was the set for the play's 3-day run. In fact, the set was so realistic a person would actually think he was in Korea.

Ms. Arrington inspired the troupe to great performances. Oral McGirt and Greg Graves had the male leads while Connie Facur and Patti Clark played the female lead.

After a poor start, the 1982 Varsity football team finished the season sharing the conference title with cross town rival Terry Sanford. The defense under the direction of Coach Underwood seemed to jet early in the season with all-conference Robin Ellerbe, Bryan Bell, Keith Vereen and David Pickens giving on the field experience.

The offense came to life when senior Micheal White took over the quarterback spot. The Cougars were on the move, finishing with five straight victories. The Cougars traveled to Jacksonville for the first round of the state playoffs. The Cougars fell to Jacksonville 24-7.

J.V. ended the season with a 5-3-2 record. Coach Norton said he had a real fine defensive team which consisted of D. Woodson, J. Tisby and T. White secondary. The offensive was inexperienced earlier in the year and later improved. It consisted of J. Washington, R. Moreau and E. Cashion. In regular season they finished 2nd to Hoke County. The coach is looking for them to come and do a good job on Varsity. Good Luck!!

FRESHMAN FOOTBALL

The Freshman Football team ended its season with a disappointing 1-5-1 record. The players were young and this was their first shot at high school football; however, they put forth tremendous effort and hard work. Some of the players that should be recognized for their outstanding performances are Britt Walden, Joey Lahaufman, David Thomas, and Dan Singleton.

The club was generally formed to teach the philosophy and techniques of photography.

FAREWELL

Henry Fonda, 77, won an Academy Award for the last of his 85 films, "On Golden Pond."

Leonid Brezhnev, 75, ruled the Soviet Union for 18 years.

Ingrid Bergman, 67. "Here's lookin' at you kid," said Bogart to her in "Casablanca" — and the world kept looking at this three-time Oscar winner.

John Belushi, 33, of "Saturday Night Live" and "Animal House" fame died amidst suspicions of a cocaine-related death.

Grace Kelly, 52, a Hollywood actress turned Princess, died in a tragic auto accident.

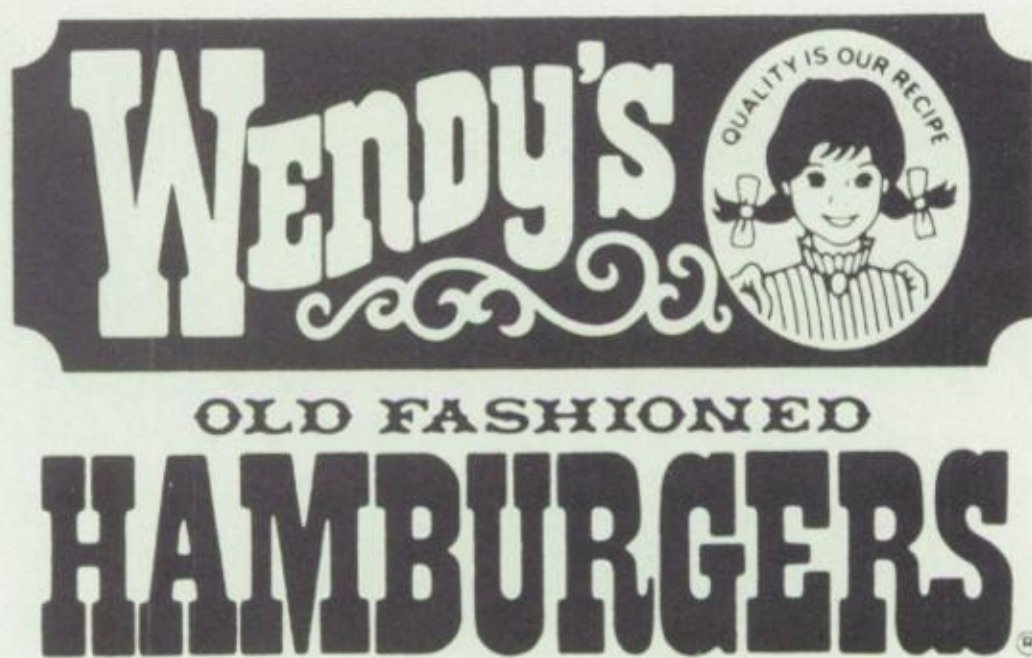

In belated remembrance, a memorial to Vietnam soldiers was erected in Washington, D.C.

Farewell, Reid Ross High.
Some of us are also saying farewell to North Carolina this year as we leave for colleges in other states. However, we will all carry within us a small part of Reid Ross and of North Carolina. We hope you enjoy looking back upon this book and remembering friends and good times shared.

Patty has Always been our Princess

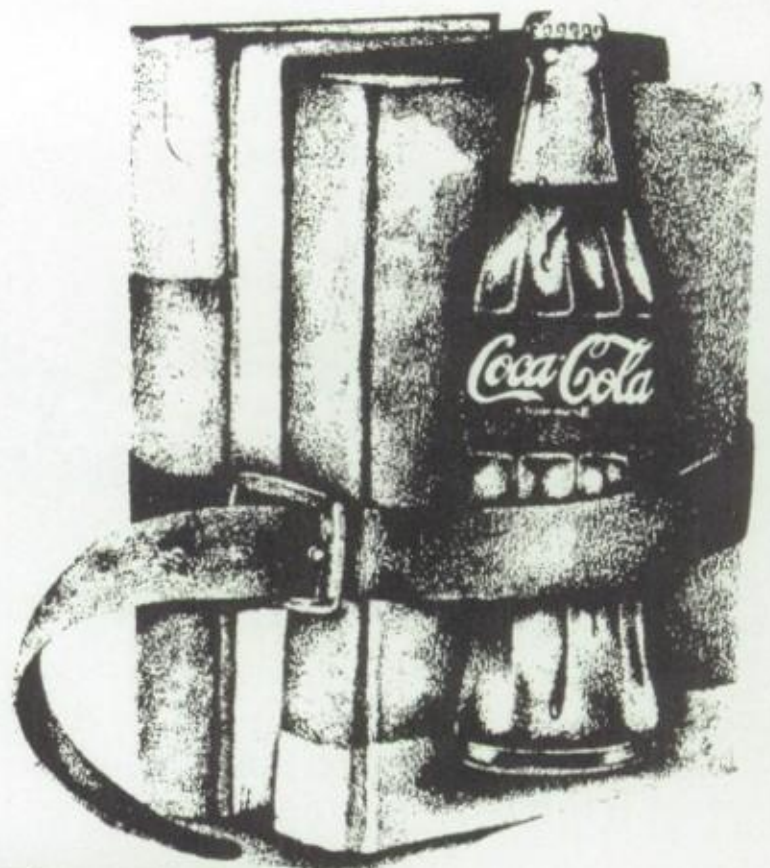

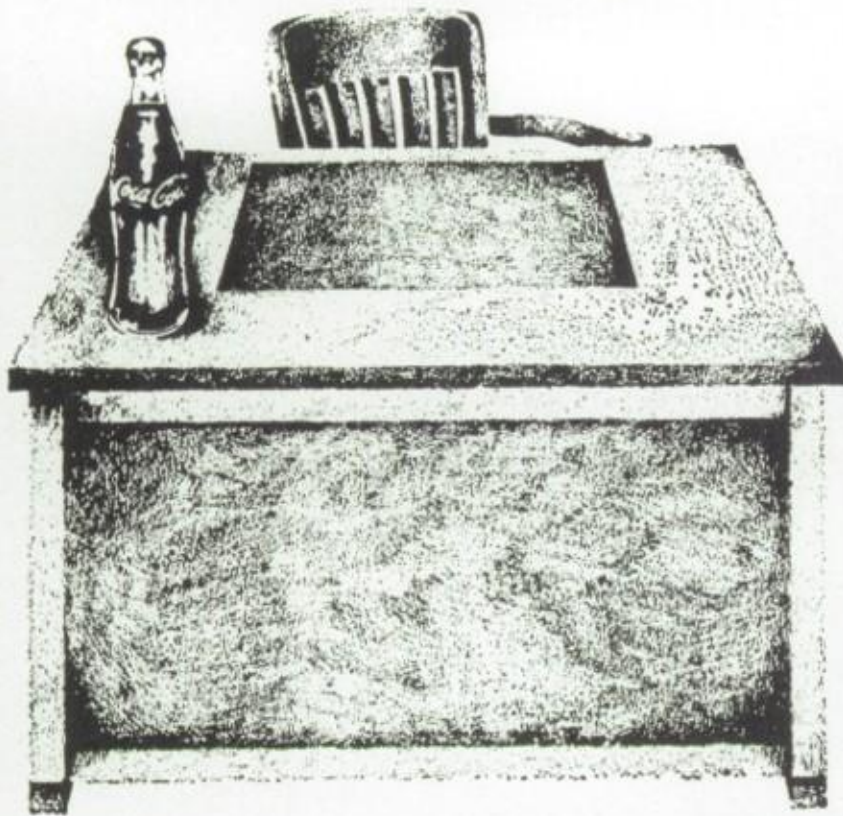

Love, Mom and Dad

We girls were here but now we're gone,
we've had our fun we're moving on.
We've enjoyed our stay at R.H.S.,
the school we love the one that's best.
We may be leaving but we're not really gone.
We've left our mark to carry on.
To those who remain we wish the best
Make the most of your time at R.H.S.!
